<b>Interview</b>	
<b>What makes you different?</b>	I started playing golf at a competitive level only two years ago but i'm already handicap 4.2 and 278th in Italian Amateur Golf Ranking.

<b>Interview</b>	
<b>Why do you want to compete in college?</b>	I want to compete in college because i hope golf becomes my profession and i want also to attend competitions and tournaments at an international level.
<b>College goals</b>	I think that my studies in college should be according to my high school address which is mainly scientific. I would like to practice golf every day to try and be up to the golf college team I reppresent. I want also to train my physical health and good shape in order to have a better golf performance.

<b>Interview</b>	
<b>Golf and life Goals?</b>	I want to get a degree and become a golf pro in order to compete at high levels.
<b>Anything else we should know?</b>	Any awards, other skills or passions.
